Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to its duty under 37 CFR 1.56, applicants submit the present IDS that supplements the IDS filed on September 21, 2007. Applicants request that the Examiner consider the items listed on the attached Form PTO/SB/08a/b, initial and return a copy of the enclosed PTO/SB/08a/b, and indicate in the official file wrapper of the above-identified patent application that each item has been considered. A copy of each non-U.S. patent item was previously submitted on June 25, 2008. The listing of an item by the applicants is not an admission by the applicants that the item qualifies as prior art.

Applicants believe no fee is due for this submission because the fee was previously paid with the original IDS submission of September 21, 2007. However, the Commissioner is hereby authorized to charge any additional fees that may be required, or credit any overpayment to account no. 09-0528.

Respectfully submitted,

Date: October 13, 2008
